EMPOWERING FACILITY
PROFESSIONALS

The IFMA Seattle Chapter is proud to offer a new sponsorship program. This tiered approach to a variety of Sponsorships is an opportunity for you to present your company personally and showcase your brand to our membership. IFMA Seattle has taken all that we've learned from the 2020 virtual benefits and have customized a new and vibrant package that suits many budget types, to ensure all our members have an opportunity to connect with the Chapter.

PROGRAM SUSTAINING SPONSOR - \$500

10 Available!

As we start our new year, your dedicated Board of Directors, and Programs Committee are in the midst of planning our 2022 Chapter Programs. We're striving to add many exciting, enriching, and educational opportunities for our IFMA Seattle Membership, and we simply could not do that without the support of our Business Partners.

2022 is the year we're bringing back building tours, lunch meetings and breakfast meetings, where your company will be featured throughout each piece.

As a Program Sustaining Sponsor, your \$500.00 contribution will show-case your company at all educational events, virtual and in-person, for 2022. You'll enjoy participation, recognition throughout the event, opportunity to host a 2-min intro during (1) Program, included on post-communication to attendees and highlighted on all online marketing and Program communication. Not only will you be supporting your colleagues and employees, Program Sponsorships are an excellent way to promote your Business with-in IFMA Seattle.

There are only (10) of these available every year.

To join the IFMA Seattle as a Program Sponsor, please connect with VP of Programs, Jackie Roethel at jackie@evolutionarchitecture.net or Executive Director Fawn Wilson at fawn@aminc.org!
