Membership

Resources to help you **Advance** In Facility Management

IFMA can help you advance personally and professionally through career development, learning, networking and leadership. Professional membership is for facility practitioners and educators who work in, oversee or teach in FM.

Networking to build your community

Connect with professionals at the local, global and industry levels with IFMA's member-only networking opportunities. Attend the industry's best events to grow your network.

Resources to increase your industry knowledge

Access research and information to get ahead in your career. From industry surveys to forecasting to thought leadership, IFMA has resources to elevate your day-to-day operations.

Credentials to showcase your skills

Prove your mastery with an IFMA credential – or develop new skills and learn about industry trends. Members receive discounts on training and free opportunities.

Opportunities to make an impact

Make a lasting contribution on IFMA and the FM profession by taking advantage of an IFMA leadership opportunity or submitting content to IFMA's FMJ, Knowledge Library or events.

Access the value of IFMA

IFMA's 40+ years of knowledge and expertise enables, empowers and equips FMs to solve challenges today and in the future. Members accelerate their careers with IFMA's 35+ member benefits.

IFMA has the
networking
and leadership
opportunities for
your next step.
